Seeley's OC Sandcastle is a fantastic oceanfront condo!!

The owners handle all of the booking and cleaning themselves and you can definitely see the care that goes into making sure that their guests have a perfect vacation. They have literally thought of everything that you could need and provide it with your stay. It's easy to see why they have so many repeat bookings and we don't plan on renting from anyone else for our OCMD vacations.

Dear Don, Bobbi and family. Thank you for this wonderful review. We try hard to offer a clean, comfortable home where a guest's Ocean City MD vacation can start right away because much is already set up and prepared for your arrival. We enjoy hosting guests stays and so happy as first time guests this summer with us we provided all your needs. Not rushing summer 2023 but excited we will be seeing you again in 2024. Again thank you for visiting OCMD and our home this year.
